

Message from the President...

Welcome back to the second half of the basketball season – hope everyone had a relaxing and safe holidays. We have some very exciting weeks ahead - 2014 BWA Country Championships, Finals, Presentations, and hopefully some more progress to report on our club branding.

Thank you to all those who gave feedback and concepts for our club logo – we are still in the process of finalizing the concepts and deciding on our future logo. With this will come a club website, and then merchandise in the form of shirts etc. but I will keep you posted!

A bit of housekeeping as the season commences. Please make sure that you hold onto ALL basketballs that you bring to the Rec Centre – it is annoying and dangerous to have kids running around the courts bouncing balls and having balls roll onto the court during games. Also please ensure uniforms are returned to the Team Managers immediately after each game – they are not to be worn home. Finally a reminder to be respectful towards ALL umpires, no matter what their age or experience. Without these people giving up their time every week, there would be no games.

Finally, good luck to all teams representing Waroona at the BWA Country Championships over the next few weekends. Make your town proud!

SEASON RESUMES: WEDNESDAY 5th FEBRUARY

DO YOU KNOW WHERE YOUR CHILDREN ARE?

Parents/Guardians, please ensure that you know where you're children are at all times. We have had many complaints about children running around the courts and bouncing balls. It is distracting to both players and umpires and games have had to stop for stray balls...and kids!

We are here to run basketball - not to babysit.

Coaches

Please make sure you return your selection for Coach's Award by February 19 so we can ensure that the engravers will have enough time to complete our trophy order.

See Office for more details.
