

Message from the President...

Short but sweet message this month. Well done to everyone for making it through the first half of the season...9 games down only 7 to go! How time flies!

Just a reminder to everyone that the same rules apply and will be enforced from the first game back ie. Plain black shorts only to be worn etc.

We need a bit of feedback in regards to the logo for our club. We are the Waroona Redbacks, and there are a few logo concepts posted on the Facebook page, and attached to the end of this Newsletter. Please let me know what you think about them, and feel free to send any of your own designs to me.

From all of us on the Committee:

“Have a Merry Christmas & Happy New!!!”

See you in 2014...

* Please contact coach for training times over break *

A big **THANK YOU** to all you helpers who have contributed to basketball so far this season - coaches, umpires, team managers, scorers, shirt washers, spectators, players and everyone inbetween. Without you we would not be able to have run such a smooth, fun first half of the season.

DO YOU KNOW WHERE YOUR CHILDREN ARE?

Parents/Guardians, please ensure that you know where you're children are at all times. We have had many complaints about children running around the courts and bouncing balls. It is distracting to both players and umpires and games have had to stop for stray balls...and kids! We are here to run basketball - not to babysit.
